#ImagineFutures @ClimateMuseumUK

Water Flow Keeper

- + Works to ensure that water goes where it's needed, and not where it makes trouble
- + Stops water being polluted
- + Helps plants to protect against drought & fire
- + Logic is a main feature, but with care for life

Art by @megmckenzie.art Insta

#ImagineFutures @ClimateMuseumUK

Healthy Lives Weaver

- + Works for the Planetary Health Service, for environmental health as much as human health
- + Helps local people get good food, green space, healthy transport, social fun & meaningful work
- + Heart is a main feature
